

MCCOA Healthy Seniors Program

The MCCOA Healthy Seniors Program was originally intended to assist all seniors 60 and over who reside in Manistee County to be able to stay active and join in group activities throughout the county.

The program has grown and is starting to become cost-prohibitive to maintain at current levels. Manistee County residents aged 60 or older, whose income is at or below 185% of poverty level will be approved for this service.

For 2023, 185% of poverty level will be determined by the following:

Number of people living in household	185% of Poverty Level (annual income)
1	\$25,142
2	\$33,874
More than 2	Add \$8,732 per person above 2

Beginning May 2023, all current participants who wish to continue in this program, as well as new applicants, must sign this document, certifying that they meet the age, residency and income qualifications.

I certify that I am eligible for this program and wish to continue participating.
